To whom it may concern,

I am writing in regards to the excellent service my son[redacted] [redacted] received from Aaron Kent, when he was his mentor. Aaron has a very professional approach, and showed genuine care and concern for my son's well - being and behaviour. During the time Aaron worked with [redacted], [redacted] became more focused, and we began to see a gradual but marked change for the better in his behaviour. Aaron gave [redacted] belief, guidance and practical skills so he could move forward and deal with situations he previously found difficult at home and school in a positive way.

[redacted] had one to one sessions with Aaron, where he learnt how to manage his anger/negative feelings, interact better with his peers, numerous strategies to cope with things he found difficult, such as his emotions, attention and having respect for others.

Throughout the time my family had contact with Aaron, he showed the up most respect towards us and worked in a diligent and professional Manner.

I fully entrusted Aaron to take my son on various activities which were thoroughly enjoyed by my son

I feel Aaron is a positive Role Model/Mentor and Coach for children from a wide variety of backgrounds whom my each have their own set of needs and issues.

Aaron has a sense of warmth and calm composed manner, Aaron's work with my son has had a Marvellous impact on [redacted] and it has enabled him to tackle issues he once found difficult, and now he can progress forward.

Aaron would be an asset to anyone he worked with.

Yours sincerely

[redacted] - [redacted] mother
