Re: Aaron Kent

Aaron worked closely with several of our pupils at Flixton Girls' School over a 12 month period. During this time at FGS he continued to support the most vulnerable and disengaged young people with their social and emotional needs.

On a 1:1 basis Aaron was able to create good relationships to gain their confidence and trust which encouraged them to resolve their issues and gain a more positive outlook on their future. Aaron used strategies such as teaching them skills to cope in negative situations, techniques for staying calm and engaged them in a variety of activities which gave them more confidence.

I found that Aaron had effective communication which benefitted FGS and his enthusiasm and knowledge ensured that the impact on the pupils was visible.

Aaron is professional, approachable and a pleasure to work with and has the ability to communicate effectively not just with pupils but also with their families.

Good Luck.
